Visit "[Where Moshers Dwell](#)" on MotoLyrics.com

Welcome to your nightmare  
Where life will end in pain  
First you meet your maker  
Then you go insane

A dark mansion of metal  
Will be your last domain  
In this house of F.K.Äœ.  
Four evil forces reign

[Pre-Chorus:]  
Slashing  
Thrashing  
Moshing  
...'Til death

[Chorus:]  
This is where mosh pits grow  
Where you thrash and die real slow  
You are just south of hell  
Welcome to where moshers dwell

Call him daddy Freddy  
To him you must obey  
Best to treat him nicely  
Or you will be his pray

You must know Jason Voorhees  
We gave the boy a home  
Still the man behind the mask  
In here he will roam

[Pre-Chorus]

[Chorus]

In our boiler room supreme  
No one else can hear you scream  
It's not heaven it's not hell  
This is it, where moshers dwell

Watch for Michael Myers

He likes to play with knives  
Not a fan of trick or treat  
But of ending lives

We hope that you will like it  
Your nightmare has come true  
Pinhead, Spinell, Leatherface  
They're all part of our CrÃ¼

[Pre-Chorus]

[Chorus]
