"I Need You"

If you change
change your mind
if you think it's worth it

Just call me
you'll find me - I need you.
If you get mistreated
if your heart is bleeding

I still want you so bad - I need you.
I tell you words
that no one will hear

Make a diamond out of tears
believe me.
Forget it all it will break your heart

Come to me and trust in me
baby

You will never find a love like mine.

I need you

I need you
if you think it's worth it

Day and night I'll be there - I need you.

If you get mistreated
if your heart is bleeding

...

You'll never find a love like mine.

I need you
I need you
if you think it's worth it

...

I need you
I need you
if you think it's worth it

...

If you get mistreated

if your heart is bleeding
