Said good bye when I left to your answering machine.
Then you jumped in a plane
girl
you know what I mean.
Pick up the phone
oh yeah - pick up the phone
oh please

I need your voice again
hearing your voice again.
Waiting so many years
feeling closer to you -
Not a sign not a trace
baby
what can I do?
Pick up the phone
oh yeah - pick up the phone
oh please

. . .

Pick up the phone
let me know - I don't want to lose you
girl.
Don't hang up
get in touch
fill the shadow in my life.
Oh what you're doing now? Inter communication via
satelite -
You can call me long distance

whatever you like.
Pick up the phone
oh yeah - pick up the phone
oh please

. . .

Pick up the phone

Let me know . . .
Oh what you're doing now

Can't we straighten it out

Won't you speak your heart?

Pick up the phone

Let me know -

Pick up the phone

oh yeah -

Pick up the phone oh please . . .

Pick up the phone

oh yeah -

Pick up telephone

oh please ...

oh please ...
