Words, don't come easy, to me,
how can I find a way,
to make you see,
I love you
words don't come easy

Words, don't come easy, to me,
this is the only way,
for me to say
I love you
words don't come easy

Well I'm just a music man,
melodie 's so far my best friend
but my words are calling out longer
I reveal my heart to you and,
hope that you'll believe it's true, 'cause

Words, don't come easy to me,
how can I find a way,
to make you see,
I love you,
words don't come easy

This is just a simple song,
that I've made for you on my own,
there's no hidden needing, you know that I
when I say I love you honey,
please believe I really do, 'cause

Words, don't come easy to me,
how can I find a way,
to make you see,
I love you,
words don't come easy

It isn't easy,
words don't come easy....

Words, don't come easy, to me,
how can I find a way,

to make you see,
I love you,
words don't come easy

Don't come easy to me,
this is the only way,
for me to say,
I love you,
words don't come easy

Words don't come easy (fade out)
