Where  
Seduction sleeps  
To the smell of your lifelessness  
Wrapped in plastic  
Your fiction  
Bitter sweet... loss of sleep  
Where this day comes, reckoning  
Unforgiving  
Where these two now go missing  
And throw me to greatness  
Ghost signals and the taste of the ice  
That froze all of their hearts  
With the sadness  
And betrayal  
Where these mourning end as empty handed as I  
It's only sinking deeper  
The shame now, no healing  
It's only sinking deeper  
This hollow feeling  
So fear  
I swear that I will walk on water  
If you will forgive me  
This one last time  
So fear  
I swear that I will walk on water  
If You will just forgive Me  
Bitter sweet  
Loss of sleep  
Where this day comes reckoning  
Unforgiving the departure  
Watching your blessing to accept  
While I'm watching you sink below  
To the flutter of this lonesome angel  
Suspended in the silhouette  
This faith, my slowest fever  
And this hope my great deceiver  
It's only sinking deeper  
So fear  
I swear that I will walk on water  
If you will forgive me  
This one last time  
So fear

I swear that I will walk on water  
If you will forgive me  
This one last time  
I will lay here  
In your devastation  
For just one more night...  
You led us on  
You killed your own  
Where  
Seduction sleeps  
To the smell of your lifelessness  
To wrap in plastic  
Your fiction  
Bitter sweet... loss of sleep  
Where this day comes, reckoning  
Unforgiving  
I will lay in your devastation  
For just one more night
