[Music by Absence, Lyrics by Timo Lehtonen]

This can't be true  
All I see is ruins  
I close my eyes  
And hope this could be undone  
The further I go  
Less human I feel  
This tragic scene  
Is now reality

No one else did survive  
No one else left alive

This innocent one  
Doesn't even get a tomb  
'Cos the unborn son  
Dies into mother's womb

Eerie silence  
Has filled the air  
Something so precious  
Is now forever lost  
How can they be so blind  
This way reaching the light  
Privilege of misunderstanding  
Key to their anger never ending
