(HA!)2x

Down in the gutter where the light doesn't shine
I beg for crumbs with the rats and the bums.
(Yeah)

(HA!)

hear the bastard laughing they say son its over.

(HA!)

You can't stop me but you try

do you ever really think about me?
i have fallen and I fell you doubt me
you say I love you but its your dream she screamed
do you ever really think about me?

I've been through hell, and I'm born again
and i'm gonna keep on tryin
I've been through hell, and I'm born again
I'm gonna get it right this time
I said it's all or nothin for you, my friend
and im gonna get it right this time
I've been through hell, and I'm born again,
yeah born again

(HA!)2x

walk through the fire with a smile on my face
it won't be long till I'm out of this place
(Yeah)

(HA!)

baptized by the raindrops resurrection makes me
stronger.

(HA!)

you can't stop me but you try

do you ever really think about me?
i have fallen and I fell you doubt me
you say I love you but its your dream she screamed
do you ever really think about me?

I've been through hell, and I'm born again
and i'm gonna keep on tryin
I've been through hell, and I'm born again
I'm gonna get it right this time
I said its all or nothin for you, my friend
and im gonna get it right this time
I've been through hell, and I'm born again, yeah born
again

(HA!)2x

you can't stop me wont you
look who's laughing in the end

Do you know what hell looks like baby?
I've come back, it kinda made me crazy
Not in it for the money or the glory
But to have a happy ending to our story

(Whaooooo! x3)

I've been through hell, and I'm born again
and i'm gonna keep on tryin
I've been through hell, and I'm born again
I'm gonna get it right this time
I said its all or nothin for you, my friend
and im gonna get it right this time
I've been through hell, and I'm born again, yeah born
