This is our last song  
So everybody sing along  
La la la la la la la la la  
And we can't stay too long  
Cause we gonna keep moving on  
La la la la la la LA LA

It's complicated when your underground  
And we don't like your sound  
And your time is running out  
You need to dress like all the other bands  
Forget about your fans cause their hearts are filled with  
doubt

They say we're beating on a dead horse  
And our luck has all run out but baby...

We can be on top of the world again if you don't think  
it's been too long

This is our last song  
So everybody sing along  
La la la la la la la la la  
And we can't stay too long  
Cause we gonna keep moving on  
La la la la la la la la la

And all the labels aren't so friendly now they put your  
single down and say  
That time is running out

You need to sound like all the other bands forget about  
your fans cause  
Their hearts are filled with doubt

They say we're beating a dead horse  
And our luck has all run out but baby...

It's plain to see all the sacrifices they have made now  
It's up to me and I am that strong

This is our last song

So everybody sing along  
La la la la la la la la la  
And we can't stay too long  
Cause we gonna keep moving on  
La la la la la la la la la

This is our last song  
So everybody sing along  
La la la la la la la la la  
And we can't stay too long  
Cause we gonna keep moving on  
La la la la la la la la la

This is our last song  
So everybody sing along  
La la la la la la la la la  
And we can't stay too long  
Cause we gonna keep moving on  
La la la la la la la la la

La La la la la la la la la  
La La la la la la la la la
