lookin down the barrel of a muthafuckin gun,
you better get his money or your little band is done
law suits lable rape are steppin on my lungs,
i pray this album has a hit but i know we aint got one
cant you see im on the other side,
if i could change one thing, it wouldn't be your mind.

sell out! here's my big hit, hope you like it, your all
blind
sell out! it's the same shit, it's the same shit everytime
I hope you love me, love me when this single spins
I know we dont fit in cause im not one for trends.

clinging to a cliff by the tips of my fingernails,
you'll be livin in a van if you're new album fails
hey mr. nickelbak can you write a smash for me, he
said
son you must learn to sing cuz all you do is scream.

cant you see im on the other side
if i could change one thing, it wouldn't be your mind.
sell out! here's my big hit, hope you like it, your all
blind
sell out! it's the same shit, it's the same shit everytime
I hope you love me, love me when this single spins
I know we dont fit in cause im not one for trends.

(Don't pay no money, but theres girls, and drugs)

lookin down the barrel of a muthafuckin gun,
you better get his money or your little ass is done
no such thing as royalties so pay me in your blood,
i pull the trigger, burn in hell you motherfucker!
cant you see im on the other side
if i could change one thing, it wouldn't be your mind.
sell out! here's my big hit, hope you like it, your all
blind
sell out! it's the same shit, it's the same shit everytime
I hope you love me love me when this single spins
I know we dont fit in cause im not one for trends
