Yeah, you always ridin' me
Yeah, you always drivin' me
Six feet under ground

Am I insane 'cause I make the same fuckin' mistakes
I say I'll change but I got the same look on my face
Let me explain I'm ashamed and I'm sorry again
You know how sorry I am

Let's do it, didn't mean to be so high
Didn't mean to be so high
I told a lie again, I told a lie again
And now I'm high again, you know I'm high again
Didn't mean to be so

Yeah, you always ridin' me
Yeah, you always drivin' me
Six feet under ground

Hey you, it's always someone else's fault
Hey you, it's always someone else's fault

Am I insane 'cause I make the same fuckin' mistakes
I say I'll change but I got the same look on my face
Let me explain I'm ashamed and I'm sorry again
You know how sorry I am

Let's do it, didn't mean to be so high
Didn't mean to be so high
I told a lie again, I told a lie again
And now I'm high again, you know I'm high again
Didn't mean to be so

Yeah, you always ridin' me
Yeah, you always drivin' me
Six feet under ground

I didn't think you understand
I don't think you understand
You never could change me
You never could make me
It's always the same thing

I don't think you understand
You never could change me
You never could make me
It's always the same thing

Hey you, it's always someone else's fault
Hey you, it's always someone else's fault

Yeah, you always ridin' me
Yeah, you always drivin' me
Six feet under ground

You're always drivin' me, six feet under ground
You're really killin' me, six feet underground
You're always bringin' me down
You're always drivin' me, six feet under ground
You're really killin' me, six feet underground
You're always bringin' me down
