When you're in outer space no one can you scream  
Face to face to with a higher being  
I wipe my eyes is this is a dream?  
Touch me with electric hands and it screamed

Feel me  
Take my energy  
Now you are the guardian  
Now you are the guardian  
On your own

I start to change now  
Hey yeah  
I start to change  
Hey yeah  
I'm not the same now  
Hey yeah  
I'm not the same now  
Hey yeah

Feel me  
Take my energy  
Feel me  
Take my energy

Now I am the guardian  
Now I am the guardian  
On my own

I can feel it in my brain  
I can feel it through my veins  
I can feel it in your pain  
[x2]

Now I feel like I am a god  
I feel I like I am a god

start to change now  
Hey yeah  
I start to change  
Hey yeah  
I'm not the same now

Hey yeah  
I'm not the same now  
Hey yeah

Feel me  
Take my energy  
Feel me  
Take my energy

Now I am the guardian  
Now I am the guardian  
Now I feel like I am a god  
I feel I like I am a god
