There's something wrong with me
I feel the fever taking over
You're like a bad disease
And every day keep getting stronger

You'll be the death of me
If I can't break this spell I'm under
A love sick tragedy
And I can't take it any longer

I can't take it any longer

She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'
She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'

Oh No
Won't you save my soul
Oh No

What the hell is wrong with me
I feel the fever taking over
You're like a bad disease
And every day keep getting stronger

You'll be the death of me
If I can't break this spell I'm under
A love sick tragedy
And I can't take it any longer

I can't take it any longer

She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'
She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'

Oh No
Won't you save my soul
Oh No

She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'
She's not a woman she's a Vampire
Drained me dry
She ain't my lover she's a blood suckin' leave nothin'

Oh No
Won't you save my soul
Oh No
