It's hard to forget the first time I met you
Those mesmerizing pair of eyes
In my mind The thoughts of you
Cannot be erased
When I hold your hand and feel your warmth
It's really too much for me to handle
Your innocence I would like to treasure
When I see you suffering I will feel sad
Oh...

~Just afraid I will fall in love with you
Dare not let myself be too close to you
Afraid Iâ€™ve got nothing to offer you
To love you may require a lot of courage too
Just afraid I will fall in love with you
Maybe one day I wouldn't be able to control myself
From falling in love with you
Thinking of you only hurts myself

I just can't help falling in love with you

**Whatâ€™s the reason
Yaâ€¦
That I meet you again
I really really donâ€™t wish to
Fall into the love trap like this

Oh...
