(Got the feeling, got the feeling, ah)  
(Got the feeling, got the feeling, ah)

When we were color bugging cheek to cheek  
I get dizzy and my knees get weak  
My pulse quivers every time we touch  
Man, I'm shaking like it's just too much

(CHORUS)

Yeah, yeah, I've got the feeling, uh huh  
Oh, oh, I've got the feeling, uh huh  
Got the feeling, got the feeling

And when you tell that you're mine, all mine  
I feel the fingers picking at my spine  
I get the heebie geebies on my brain  
And I'm-a hurting with a crazy pain

(CHORUS)

And when you kiss me, baby, it's the most  
You start me burning like piece of toast  
You know your ma tells me you're still a child  
She don't know how you drive me wild, yeah

Got the feeling I'm in love with you  
Got the feeling that you love me too  
My heart's hoping for something close like this  
Come on, pretty baby, with another kiss

(CHORUS)

And when you kiss me, baby, it's the most  
You start me burning like piece of toast  
You know your ma tells me you're still a child  
She don't know how you drive me wild, yeah

Got the feeling I'm in love with you  
Got the feeling that you love me too  
My heart's hoping for something close like this  
Come on, pretty baby, with another kiss

(CHORUS)
