I got a kiss like honey
And a squeeze so fine
I'm available for kissing
Any old time

(CHORUS)

I'm a man, yeah, yeah, yeah
I'm a man, uh huh
Well, don't you forget that I'm a man

Why do you treat me
Like an overgrown child
When you know my kiss
Just drives you wild

(CHORUS)

Baby, baby, can't you see
I'm not as young as I seem to be

(CHORUS)

I wanna hold you as hard as I can
I wanna make you understand

(CHORUS)

I may be young
And I still go to school
When it comes to chicks
I'm no poor little fool

(CHORUS)

Please let me hold you tight
When the band starts swinging
We'll dance all night

(CHORUS)

If you wanna go steady

Take a chance with me
I'll be as cool as any man can be

(CHORUS)
