

Faber Drive **"Killin' Me"**

Visit "[Killin' Me](#)" on MotoLyrics.com

She takes me to the edge
This waiting, so frustrating
She puts me to the test
To break me, she takes me

Round and round
When will I win?
(Alright, here we go again)

Oh, no, here we go
She's killn' me
(Alright, here we go again)

I can't say no
I can't believe she's killin' me
Teasin' me again

Why does she play with me?
(Why does she play with me?)
Like it's just pretend?

She pulls away from me
(She pulls away from me)
Oh, no, killin' me again

Her kiss is just like wine
Intoxicating, just maybe
She'll give me more this time
'Cause I'm cravin' what she's savin'

Round and round
When will I win?
(Alright, here we go again)

Oh, no, here we go
She's killn' me
(Alright, here we go again)

I can't say no
I can't believe she's killin' me
Teasin' me again

Why does she play with me?
(Why does she play with me?)
Like it's just pretend?

She pulls away from me
(She pulls away from me)
Oh, no, killin' me again

Again

She takes me to the edge
This waiting, so frustrating
She puts me to the test
To break me, she takes me

Her kiss is just like wine
Intoxicating, just maybe
She'll give me more this time
'Cause I'm cravin' what she's savin'

Oh, no, here we go
She's killn' me
(Alright, here we go again)

I can't say no
I can't believe she's killin' me
Teasin' me again

Why does she play with me?
(Why does she play with me?)
Like it's just pretend?

She pulls away from me
(She pulls away from me)
Oh, no, killin' me again

Oh, no, here we go
She's killn' me
(Killin' me again)

I can't say no
I can't believe she's killin' me
Teasin' me again

Why does she play with me?
(Why does she play with me?)
Like it's just pretend?

She pulls away from me
(She pulls away from me)
Oh, no, killin' me again
