Pumpin' on my sleeve
Heart that barely beats stallin'
Uh oh

Floatin', facin' down
Sea of broken vows
Drownin'
Uh oh

Blow after blow and I'm starting to see why
Better alone than be bruised by your dark side
Down to the bone you're the knife
That'll cut right through

Sex and love don't feel the way I do
Sex and love's not real when it's from you

Solely for effect
Mornin' make up sex is hollow
Uh oh

Burnin' to the ground
House that used to stand so solid
Uh oh

Blow after blow and I'm starting to see why
Better alone than be bruised by your dark side
Down to the bone you're the knife
That'll cut right through

Sex and love don't feel the way I do
Sex and love's not real when it's from you

Blow after blow and I'm starting to see why
Better alone than be bruised by your dark side
Down to the bone you're the knife
That'll cut right through

Sex and love don't feel the way I do
Sex and love's not real when it's from you
Sex and love don't feel the way I do
Sex and love's not real when it's from you

Sex and love don't feel the way I do
Sex and love's not real when it's from you
