(payoff payoff payoff payoff)

This is the payoff payoff  
now that we're on top, we won't stop  
(won't stop)  
doin' what we do is a dream come true  
we never gonna give it up  
we never gonna stop  
it's the payoff  
(can't stop, can't stop, won't stop)  
That's the payoff  
(won't stop, no we can't stop)

Remember when you got your first drum set  
And how we used to practice in the basement  
When I was singin' like Billy Joe  
(Don't wanna be an American idiot)

Summer time came with the concert  
Mcdonald's wouldn't let me book it off work  
So I called in sick the night of the show

The crowd was screaming encore  
This is the payoff payoff  
now that we're on top, we won't stop  
(won't stop)  
doin' what we do is a dream come true  
we never gonna give it up  
we never gonna stop  
it's the payoff  
(can't stop, can't stop, won't stop)  
That's the payoff  
(won't stop, no we can't stop)

Soon enough we went and got a tour bus  
All the girls are screaming just to touch us  
They all wanted to take us home

Now everywhere we look, we see our faces  
But we know that we'll never let that change us  
Still Oprah lets us play on her show  
(play on, play on her show)

The crowd will scream out encore  
This is the payoff payoff

now that we're on top, we won't stop  
(won't stop)  
doin' what we do is a dream come true  
we never gonna give it up  
we never gonna stop  
it's the payoff payoff  
can only get one shot one shot  
(one shot!)  
gonna take that chance and make it last  
we never gonna give it up  
we never gonna stop  
it's the payoff

We will rock you  
We're gonna scream it loud with the crowd tonight  
We will rock you  
Everybody's singing every word from every line  
We will rock you (rock you)  
We just (we just) got to  
This is everything we've ever dreamed of

Remember getting drunk around the campfire  
Writing stupid songs about becoming rockstars  
We never ever thought it would go this far

This is the payoff payoff  
now that we're on top, we won't stop  
(won't stop)  
doin' what we do is a dream come true  
we never gonna give it up  
we never gonna stop

it's the payoff payoff  
now that we're on top, we won't stop  
(won't stop)  
Gotta take that chance and make it last  
we never gonna give it up  
we never gonna stop  
it's the payoff  
(can't stop, can't stop, won't stop)  
(won't stop, no we can't stop)
