In this friendly, friendly world with each day so full of  
joy

Why should any heart be lonely?

In this friendly, friendly world with each night so full of  
dreams

Why should any heart be afraid?

The world is such a wonderful place to wander through  
When you've got someone you love to wander along  
with you

With the skies so full of stars and the river so full of  
song

Every heart should be so thankful

Thankful for this friendly, friendly world
