Share my life
Take me for what I am
Cause I'll never change
All my colors for you
Take my love
I'll never ask for too much
Just all that you are
And everything that you do

I don't really need to look very much further
I don't want to have to go where you don't follow
I won't hold it back again, this passion inside
Can't run from myself there's no where to hide

Don't make me close one more door
I don't want to hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me
I have nothing, nothing, nothing
If I don't have you

You see through right to heart of me
You break down my walls
With the strength of your love
I never knew love like I've known it with you
Will our memory survive
One I can hold on to
I don't really need to look very much farther
I don't want to have to go where you don't follow
I'm hold back again this passion inside I can't run from
Myself there's nowhere to hide
Your love I'll remember forever

Don't make me close one more door
I don't want to hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me
I have nothing, nothing, nothing
If I don't have you

Don't make me close one more door
I don't want to hurt anymore stay in
My arms if you dare
Or must I imagine you there
Don't walk away from me no,
Don't walk away from me
Don't you dare walk away from me
I have nothing, nothing, nothing
If I don't have you you
If I don't have you
Oh oh oh
