Mhmmm hmm hmm  
How many roads must a man walk down before you  
can call him a man  
And how many seas must a white dove sail before she  
can sleep in the sand  
And how many times must the cannonballs fly before  
they're forever banned  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind  
How many times must a man look up before he can see  
the sky  
Yes and how many ears must one man have before he  
can hear people cry  
And how many deaths will it take till he knows that too  
many people have died  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind  
[ ac.guitar ]  
How many years can a mountain exist before it is  
washed to the sea  
Yes and how many years can some people exist before  
they're allowed to be free  
And how many times can a man turn his head  
pretendin' he just doesn't see  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind  
The answer my friend is blowin' in the wind the answer  
is blowin' in the wind
