(Gene Clark)

The reason why I can say
I have to let you go babe and ride away
After what you did I can't stay on
And I prob'ly feel a whole lot better when you're gone
Oh, when you're gone.

Baby for a long time you have to believe
That your love was all mine that's the way it should be
But I didn't know you were puttin' me on
And I prob'ly feel a whole lot better when you're gone
When you're gone.

--- Instrumental ---

Now I've gotta say that it'm not like before
And I'm not gonna play your games anymore
After what you did I can't stay on
And I prob'ly feel a whole lot better when you're gone.
When you're gone, when you're gone, when you're
gone...
