Go away from my window leave at your own chosen  
speed  
I'm not the one you want babe I'm not the one that you  
need  
You say you're looking for someone never weak but  
always strong  
To protect you and defend you whether you are right or  
wrong  
Someone to open each and every door but it ain't me  
babe no no no  
It ain't me babe it ain't me you're looking for babe  
[ harmonica ]  
Go lightly from the ledge babe go lightly on the ground  
I'm not the one you want babe I'll only let you down  
You say you're looking for someone who'll promise  
never to part  
Someone to close his eyes for you someone to close  
his heart  
Someone to die for you and even more but it ain't me  
babe no no no  
It ain't me babe it ain't me you're looking for babe
