Deep in the pocket of an old sport coat jacket I chanced  
to discover an old memory  
Three for a quarter black and white picture takin' up  
Jennifer Johnson and me  
I'm in the corner with my shirt collar open like some  
latin lover on late nite TV  
Sittin' right there with her head on my shoulder Jennifer  
Johnson she's smilin' at me  
Three for a quarter black and white picture Jenny close  
a curtain so no one can see  
Now kiss me quick while the red light is flashing  
flashing on Jennifer Johnson and me

It must have been summer nineteen-sixty-seven  
The Beatles were singing that love's all you need  
I held her hand while we walked through the arcade  
Two young believers on a three dollars spree  
Later that night holdin' close in the darkness  
I felt her warmth in the cool evening breeze  
I told her I probably love her forever forever for Jennifer  
Johnson and me  
Three for a quarter...

Three for a quarter black and white picture  
Two young believers on a three dollars spree  
I'll save your picture in my sport coat pocket  
Jennifer Johnson did you save one of me
