(Mick Jagger - Keith Richard)

Well, I've told you once and I've told you twice
But you never listened to my advice
You don't tried way hard to please me
But what you know it should be easy.

Oh, this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no.

Well, I'm sorry girl that I can't stay
Feelin' like I'd do today
Too much pain too much sorrow
Yes, I'll feel the same tomorrow.

Well, this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no.

--- Instrumental ---

Well, this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no.

Well, I've told you once and I've told you twice
Someone's got to pay the price
Here's the chance to change your mind
'Cause I've been alone a long long time.

This could be the last time
This could be the last time
Maybe the last time
I don't know, oh no.

Oh no, oh no...
