(Mann Curtis - Pierre Delanoë - Gilbert Becaud)

I bless the day I found you
I want to stay around you
And so I beg you let it be me
Don't take this heaven from one
If you must cling to someone
Now and forever let it be me.

Each time we meet love I find complete love
Without your sweet love what would life be
So never leave me lonely tell me you love me only
And that you always let it be me.

If for each bit of gladness
Someone must taste of sadness
I beg the sorrow please let it be me
And no matter how the price is
I'll make the sacrifices
For each new tomorrow just let it be me.

Each time we meet love I find complete love
Without your sweet love what would life be
So never leave me lonely tell me you love me only
And that you always let it be me.

Let it be me...
