Won't you let me tell you 'bout Mary?  
I promise, it won't take me very long  
'Cause all I have to say about Mary  
Is, I'm afraid, my Mary's gone wrong

The day I went away and left Mary  
She promised she would wait eternally for me  
But I came back today, heard my Mary say  
Yes, she don't want any part of me

So, now, won't you let me tell you 'bout Mary?

I came back and went by to see Mary  
But she couldn't even look me in the eye  
Then, when I asked her what happened  
I stood there and watched my Mary cry

So, won't you let me tell you 'bout Mary?  
Ohh, I'm afraid, my Mary's goin' wrong
