Down in Louisiana where the black trees grow lives a  
voodoo lady named Marie Leveau  
She got a black cat tooth and a mojo bone and anyone  
wouldn't leave her alone  
She go (greeeeee) another man done gone  
She lives in a swamp in a hollow log with a one eyed  
snake and a three legged dog  
She got a bent bony body and stringy hair  
And if she ever seen you all messin' round there  
She go (greeeeee) another man done gone  
And then one night when the moon was black into the  
swamp come Handsome Jack  
A no good man like you all know when he was lookin'  
around for Marie Leveau  
He said Marie Leveau you lovely witch gimme little  
charm that'll make me rich  
Gimme million dollars and I tell you what I'll do this  
very night I'm gonna marry you  
And it'll be ummmmmmm another man done gone  
So Marie done some magic and she shook a little sand  
Made a million dollars and she put it in his hands  
Then she giggled and she wiggled and she said hey  
hey  
I'm gettin' ready for my weddin' day  
But ol' Handsome Jack he said goodbye Marie  
You're too damn ugly for a rich man like me  
Then Marie started numblin' her fangs started gnashin'  
Her body started tremblin' and her eyes started  
flashin'  
And she went (greeeeee) another man done gone  
So if you ever get down where the black trees grow  
And meet a voodoo lady named Marie Leveau  
If she ever asks you to make her your wife  
Man you better stay with her for the rest of your life  
Or it'll be (oheeeee) another man done gone
