"No Sad Songs For Me"

I walk around imagining the way she say goodbye
And when she tries to tell me I hope that I won't cry
No sad songs for me soon our love will be just a
memory it's all over
The glow has gone forever and our dreams have
turned to dust
I don't know how I can go on and yet I know I must
No sad songs for me soon our love will be just a
memory it's all over
It breaks my heart to feel this way although I try to
smile
To think I'll be alone again in just a little while
No sad songs for me soon our love will be just a
memory it's all over it's all over
