This could be our last goodnight together  
We may never pass this way again  
Just let me enjoy 'til it's over or forever  
Please don't tell me how the story ends

See the way our shadows come together  
Softer than your fingers on my skin  
Someday this may be all that we'll remember of each  
other

Please don't tell me how the story ends

Never's just the echo of forever  
Lonesome as the love that might have been  
Just let me go on loving and believing 'til it's over  
Please don't tell me how the story ends  
Please don't tell me how the story ends
