(Eddie Miller - W.S. Stevenson - Robert Yount - Dub Williams)

(Please release me, let me go,
I don't love you anymore
To live together is a sin
Release and let me love again.)

I have found a new love dear
And I'll always want her near
Her lips are warm while yours are cold
Oh, release me, darling let me go.

(Please release me, let me go
I don't love you anymore
To live together is a sin
Release and let me love again.)

Please release me, let me go
I don't love you anymore
To live together is a sin
Release and let me love again.

(Release and let me love again...)
