Shame on me for hurting you
What can I say? What can I do?
Last night I was blind but today I see
I did you wrong, shame on me

You say you won't be seein' me again, you say we're
through
I wouldn't want to see the sunrise tomorrow if I knew
that to be true
I know that just sayin' I'm sorry, doesn't sound like a lot
But the girl you saw me with last night means no more
to me
Than the thousand stars to the great clouds that cover
the night
The more I looked at her, the more I realized, how
much I love you

Shame on me for hurting you
What can I say? What can I do?
Last night I was blind but today I see
I did you wrong, shame on me

I'll admit, I shouldn't have given into love's wild
temptation
With someone I cared nothing for, I was blind and I hurt
you
Can you ever forgive the fool, the fool who really loves
you?

Last night I was blind but today I see
I did you wrong, shame on me
