She called me baby baby all night long used to hold
and kiss me till the dawn
Then one day I awoke and she was gone ah there's no
more baby baby all night long
Well she called me baby baby all night long lift me up
so high and made me strong
Well what I'd give if she'd just come back home and
call me baby baby all night long
[trumpet]
Yeah she called me baby baby all night long
Kissed my tears away when things went wrong
But now each night in dreams just like a song I still hear
baby baby all night long
But there's no more baby baby all night long
