## Bobby Bare "Silence Is Golden"

Visit "Silence Is Golden" on MotoLyrics.com

Silence is golden my love tell me now with your eyes No need to speak just let me see your eyes look love to me

Silently place your warm hand in mine
Safe and secure from the troubles of our time
Say with your eyes what you feel deep inside
Words cannot express they only hide
Silence is golden my love eyes are windows of one's
heart

Look into mine find peace of mind that you and I will never part

Who needs words when we are so near Silence please just let me hold you dear silence is golden my love
