Chorus:

Somedays are diamonds, somedays are stone
Somedays the hard times won't leave us alone
Sometimes the cold wind brought chill to my bones
Somedays are diamonds, somedays are stone.

How the face that I see in the mirror
More and more is a stranger to me
More and more I can see there's a danger
In becoming what I never thought I'll be.

Chorus:

Somedays are diamonds, somedays are stone
Somedays the hard times won't leave us alone
Sometimes the cold wind brought chill to my bones
Somedays are diamonds, somedays are stone.

So when you ask how I've been here without you
I like to say I've been fine and so I did
But we both know the truth is hard to come by
And if I told the truth, that's not quit true.

Chorus:

Somedays are diamonds, somedays are stone
Somedays the hard times won't leave us alone
Sometimes the cold wind brought chill to my bones
Somedays are diamonds, somedays are stone.

Somedays are diamonds, somedays are stone
Somedays the hard times won't leave me alone
Sometimes the cold wind brought chill to my bones
Somedays are diamonds, somedays are stone.

Somedays are diamonds, somedays are stone...
