(Okay, I'll tell you what I'm gonna do now. I'm gonna tell you about a unicorn.

Now who knows what a unicorn is? Let me tell you about.)

A long time ago when the earth was green  
Well there was more kinda animals than you've ever seen

And they just run around free while the world was being born

And loveliest of them all was the unicorn

There was green alligators and long neck geese  
Humpty bumpy camels and some chimpanzees  
There was cats and rats and elephants but sure as you're born

The loveliest of all was the unicorn

But the Lord seen some sinning and it caused him a pain

He said stand back I'm gonna make it rain

So hey brother Noah I'll tell you what to do

Go and build me a floatin' Zoo

And you take 'em two alligators and a couple of geese

Two humpty bumpy camels and chimpanzees

Cats and rats and elephants but sure as you're born

Noah don't forget my unicorn

Now Noah was there and he answered the callin'

And he finished up the ark as the rain started fallin'

Then he marched in the animals two by two

And sung out as they went through

Hey Lord I got your two alligators and a couple of geese

Two humpty bumpy camels and chimpanzees

Cats and rats and elephants but sure as you're born

Lord I just don't see your unicorn

Well Noah looked out through the drivin' rain

But the unicorns were hidin' playing silly games

They were kickin' and a splashin' in the early morn

Oh them foolish unicorns

Then the ducks started duckin' and the sneaks started  
sneakin'

And the elephants started elephantin' and the boat  
started shakin'

The mice started squeekin' and the lions started roarin'  
And everyone's aboard but the unicorns

I mean a green alligators and long neck geese  
The humpty bumpty camels and chimpanzees  
Noah cried close the door cause the rain is a pourin'  
And we just don't wait for them unicorns

And then the dark started movin' and it drifted with the  
tide

And unicorns looked up from the rock and cried  
And the water came up and sorta floated them away  
And that's why you've never seen a unicorn to this day

You'll see lots of alligators and long neck geese  
You'll see humpty bumpty camels and chimpanzees  
You'll see cats and rats and elephants but sure as  
you're born  
You're never gonna see no unicorn
