I look cute at the end of your leash
Your adorable beast
As I salivate on your shoes

Obedient and true
Loyal through and through
A fuzzy reflection of you

If you are wounded, I will lick it
If you feed me, I won't forget it
If I mess up just rub my nose in it

You let me out to sniff around
Do my business and stretch out
And I always come running when you call

I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha

I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha

I was lost when you found me
Half crazy and mangy
You cleaned me up and I am here for good

But if I run away, will you miss me
Search through the streets for me?
'Cause I will be looking for you
I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha

I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha

And if I growl, well, I don't mean it
And if I bark, just give me a kick
And when I whine pay me no mind

'Coz I'm just missin' you

I'll chase your enemies away
Lick your momma on the face
I'll only wag my tail when I'm with you

I will follow you anywhere around to every part of town
You can show me off like a brand new tattoo

I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha

I look cute at the end of your leash
Your adorable beast
Ha ha ha ha ha ha ha ha ha

And I come running to you
And I come running to you
And I come running to you
Yes, I come running to
