And my accountant got as many numbers as a social
With a beach house that's, somewhere on the coast to
Bunch of bad bitches that some of ya'll propose to
(CLUE CLUE!)

A brotha leak, like a plumber aint suppose to
Ride this clean yea, summers gonna appose you,
Please don't make me be the someone that expose
you, (Word Word!)

I snatch yea kids, or someone that you close to,
Then the body parts start coming in the postal,
Summers getting close to, gotta go drop,
I gotta slow bop in the proda low tops,
My domicanna sell out a co-op,
She also can suck the gum outta blow pop, (Woo!)

The feds wanna talk to my accountant to,
they heard I bottle green like mountain dew,
Too many rocks to be countin boo,
The globe look like the one in the Scarface fountain do
But they cant take the ayto (Nah!), point blank will open
yea face, (Nah)

Till I'm white like a baked patatee
And I'm not new at this,
I'm on the jet, but aint nothing change but the pilot line

and the studarist (Ah ha, Ah ha!)
A guy in fur, continental flying spur,
you might wanna keep an eye on her, (CLUE CLUE!)
Theres no question amuse**
Before I have her in sex positions, that look like
wrestling moves, (Damn)
Get some chest shots, coming my way

and mid-town, the loft cost BIG,

After that its ME, F-A-B...you knowww (ah ha ah ha!)
Now what you know about chauffers (huh?)
The roof tucked in like a fold out sofa (woo!)
