[Chorus:]

Just ball till you fall
Cuz imma ball until I fall
So you'd better ball until you fall
Just ball till you fall

It don't stop y'all [x4]

[Verse:]

I'm the substitution, I came in this game as a helpin'
hand
In the post when I'm close I'm like Elton Brand
My passes go around the ball like a belt through pants
And I'm for the green yeah somethin like a Celtics fan
Me and my team came in G4 dozen seaters
Just in time, call us the buzzer beaters
It's big shot Fab, I spin like vinyl records
You could tell I want the ball in the final seconds
I keep some change on me
I'm a winner I should be in the locker room lettin 'em
pour champagne on me
My hommies got a soft one, throw me in a lob one
Good on the first three, I'm Kobe on this fourth one

[Chorus:]

Just ball till you fall
Cuz imma ball until I fall
So you'd better ball until you fall
Just ball till you fall

It don't stop y'all [x4]

[Verse:]

Oh man the children have seen us
We fill the arenas
The hottest tour, I wizz through'em like Gilbert Arenas
Imma ball till I fall and I'm restin in heaven
In the 60 I-L that's the best of the sevens
No games played your boy dropped through like the
????
In the passenger I'm mashin'em
Dunkin off the glass on'em

These other players with full court press harassin'em
Yeah I'm in the zone
Colors in the stones
They look, they hook'em sorta like they playbook
Thats the flagrant foul that could get you a suspension
They want me to dunk on'em just to get them some
attention

[Chorus:]

Just ball till you fall
Cuz imma ball until I fall
So you'd better ball until you fall
Just ball till you fall

It don't stop y'all [x4]

[Verse:]

And I'm a baller
Saw'em carryin this shit
My Suns with me like Stoudamire, Marion and Nash
Just like the Lakers during showtime
With the slow rhyme you know I'm gonna step it up
during O-Time
Back like the Cavs with Lebron
Your boy be havin it on
White and gold gleam on the whole team
I spin like a mixer
Sorta like a trickster
The S-I to the X, I call'em the Sixers
I beg your pardon I should live with the guards
I spend my time point guardin'
AMX black car, nothin with the plastic
Its goes through like we cuttin to the basket lookin for
the hoop

[Chorus:]

Just ball till you fall
Cuz imma ball until I fall
So you'd better ball until you fall
Just ball till you fall

It don't stop y'all [x4]

[Ending:]
