They're playing basketball
We love that basketball
They're playing basketball
We love that basketball
They're playing basketball
We love that basketball
They're playing basketball
We love that basketball

[Lil' Bow Wow]

Yeah, now basketball is my favorite sport
I love the way they dribble up and down the court
I keep it so fresh on the microphone
I like no interruption when the game is on
I like slam dunk, to take me to the hoop
My favorite play is the alley-oop
I like the pick-and-roll
I like the give-and-go
In this basketball, Bow Wow, let's go

[Fundisha]

They're playing basketball
We love that basketball
They're playing basketball
We love that basketball
They're playing basketball
We love that basketball
They're playing basketball
We love that basketball

[Lil' Bow Wow]

I got the rock in my hands
Aint no telling what I'm gonna do with it
When I come position I'ma act a fool with it
I might cross you up fake one way
Turn around and hit you with you with the MJ fadeaway
I'm throwing dime passes like J. Kidd
Taking cats to the rack
And I'm dunking on them like T. Mac
When I'm in the paint I play with that Alonzo style
I'm like Darius cause I can shoot two miles

They're playing basketball
We love that basketball...
