Ft Lloyd Banks And Juelz Santana

[Hook: Lloyd Banks]

Beamer, Benz, or Bentley; Beamer, Benz, or Bentley
Beamer, Benz, or Bentley - my jeans are never empty,
bitch

Beamer, Benz, or Bentley; Beamer, Benz, or Bentley
Beamer, Benz, or Bentley - your scheming don't affect
me

[Verse 1: Lloyd Banks]

I'm fresh, I'm fly, I'm so damn high
More than 500 horses when I roll by
I'm calm, I'm cool, everything brand new
I don't handcuff, you can get the whole damn crew
Get in my Beamer, Benz or Bentley; Beamer, Benz or
Bentley
Beat it - I bet she let me; she been fiending since she
met me
I'm the coolest shit especially when I'm throwing on my
Gretzky
Got my S-S-Smith and Wessie to protect me so respect
me

This is heavy new Bentley, color vanilla and cherry
Andretti or Pirelli, make a movie out the ghettie
Wear my ring and my confetti, I'm Kobe Bryant ready
Pink Rose and chronic smelly while I'm stumbling out
the telly

I'm so fly, I'm so ferry and the way I flow is very
Ginsu or machete, when my pencil move it's deadly
Platinum band, platinum bezzie, make a straight girl
out a lezzie
Magazine, Mac, Desi, keep my windows like the Prezzie
Press a button and I'm stunting, my roof look like it's
ducking
Meter go 200-something and my trunk do wonders
bumping

I am not the one for chumping, I will ratchet out and
slump him
Dump him (dump him) he better off dead, your money
red

[Interlude: Juelz Santana, Lloyd Banks]

[Juelz Santana:] I'm fresh, I'm fly, I'm always high
(always high)

Got your bitch waving at me when I roll by

[Lloyd Banks:] I'm calm, I'm cool, everything brand new
I don't handcuff, you can get the whole damn crew

[Hook]

[Verse 2: Juelz Santana]

Whether Beamer, Benz, or Bentley I be moving, I be
moving

Making movies, Tom Cruising, if it's action then I'm
shooting

Pockets fat, neck studded, boy my nickname should be
Ruben

My Colombian connect told me the Mexicans have
moved in

And he know just how I get it so we about to introduce
him

Got a girl named Cigar, I call her that because she
Cuban

Got a black chick that be boosting, got a white girl that
be boothing

Gotta watch her cause she use it but she fuck me like
she's stupid

And she always ready to give me that Becky

Last time it was so good I almost crashed my Bentley

Hit the club, ordered bottles, see them sparks in the
sky

Will have this whole bitch looking like the 4th of July

But if you pussies get to fronting and the pushing lead
to shoving

We just busting and we leaving like it's nothing

If it ain't the Gucci or the Louis then it's Polo or it's

Rugby

And this bitch I brought with me, she be bagging
bitches for me

[Hook]

[Interlude:]

[Fabolous:] I'm fresh, I'm fly, I'm so damn high

In that black-on-black thing whenever I ride by

[Lloyd Banks:] I'm calm, I'm cool, everything brand-
new

I don't handcuff, you can bring the whole damn crew

[Verse 3: Fabolous]

Beamer, Benz, or Bentley; Kima's friends with Wendy

And both of these bitches want my penis, evidently
My jeans are never empty - it seems, coincidentally
They say that time is money, so my team be spending
centuries
Beamer, Benz, or Bentley - life's full of decisions
If hating was a crime, you would do life up in a prison
The spiteful competition knows that they wouldn't have
a shot at eating
Even if they had a rifle in they kitchen
Beamer, Benz, or Bentley - Banks, 'elz, or Loso
We be paper touching - bank teller flows, ho
Yeah, we smoke a lot of kush, drink hella rose Mo'
Y'all got a disease called "Can't tell the ho's no"
Beamer, Benz, or Bentley - we black all of 'em
And we hold heat like a motherfucking oven
My homies, I love em: it's family over everything
And fuck anything that ever try to get above em
Niceeee...
