Every single day, each and every night, bite,
That's my word, I'm screaming bite,
I'm screaming bite.
Every single day, each and every night, bite,
That's my word, I'm screaming bite,
Now what that mean?

I say bitch I'm tryin' eat, bitch I'm tryin' eat, bite,
That's my word, I'm screaming bite,
I'm screaming bite.
Bitch I'm tryin' eat, bitch I'm tryin' eat, bite,
That's my word, I'm screaming bite,
I'm screaming bite.

I say buy a hand for your hood, that's the streets that I
eat on,
So cold in my city, best believe that the heat's on,
Bitch I'm tryin' eat before it's recipes on my tea
stool,
Want my eggs scrambled hard with extra cheese and a
tea bonus.
Got a recipe in the streets home, take hustle, acting
muscle,
Making mill cause success, now I ain't say it don't
come with stress,
I ain't say it don't come with pain, couple losers
don't call it game,
They ain't eating, got stomach pains, they call you but
your number changed.
Old friendship is getting strange, couple words might
get exchanged,
New niggers since diapers, oh well, that shit's
changed.
My teacher came to me ask the same on me
What I'm trying to be, and I say B.I.T.E.

Every single day, each and every night, bite,
That's my word, I'm screaming bite,
I'm screaming bite.
Every single day, each and every night, bite,
That's my word, I'm screaming bite,

Now what that mean?

I say bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Iâ€™m screaming bite.

Bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Iâ€™m screaming bite.

I ainâ€™t grow up on park place, where Iâ€™m from is a
dark place,
Hardy look on that bright side, these skies are dark
gray.

And our case getting our case in the P A R K
Wasnâ€™t trying to be scarface, shit, I just want the new
bark lays.

If low fish get afraid of sharks Iâ€™m trying to see how
that shark taste,

Ask them with that shark face, Iâ€™m trying to fill my
park space.

Iâ€™m trying to be on my dog shades on the park key in
the park lays

Iâ€™m trying to get my money long, long as Easton
parkway.

Me and my niggers got reservations, no way, no
hesitations,

Non stop to the money, thatâ€™s my final destination.

And the judge looked at me, ask the same on me, what
you trying to be

And I say B I T E.

Every single day, each and every night, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Iâ€™m screaming bite.

Every single day, each and every night, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Now what that mean?

I say bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Iâ€™m screaming bite.

Bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite,
Thatâ€™s my word, Iâ€™m screaming bite,
Iâ€™m screaming bite.

Bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite
Bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite
Bitch Iâ€™m tryinâ€™ eat, bitch Iâ€™m tryinâ€™ eat, bite,
Thatâ€™s my word, Iâ€™m screaming bite
