Aiyyo Drama this the first  
This the first time you had a nigga from Brooklyn  
I think with a gangsta grill man  
And I-I-I, I just wanna  
I-I just wanna say thank you man  
for takin Brooklyn down bottom y'knahmsayin?  
Lettin niggaz see what's goin on man  
I know niggaz heard a lot about Brooklyn  
They heard about Big, they heard about Jay  
But Brooklyn's still comin nigga, we still comin  
There's a lot of niggaz, y'knahmean? Brooklyn is one of  
the  
hungriest places in this muh'fuckin planet  
We walk around with our ribs touchin nigga  
I'm still touchin - e'rywhere I walk
