[Fabulous - Intro]

You know what?

Everybody goes through some changes in life

Some poeple change for the better, some poeple
change for the worse

But umm, some people need to make that change

[2Pac - Verse 1]

(Come on come on)

I see no changes (Fabulous - You know what I mean?
Change is good sometimes.)

Wake up in the morning and I ask myself (Fabulous -
You know?)

is life worth living should I blast myself?

I'm tired of bein' poor and even worse I'm black

my stomach hurts so I'm lookin' for a purse to snatch
Cops give a damn about a negro pull the trigger kill a
nigga he's a hero

Give crack to the kids who the hell cares one less
hungry mouth
on the welfare

First ship 'em dope & let 'em deal the brothers
give 'em guns step back watch 'em kill each other
It's time to fight back that's what Huey said

2 shots in the dark now Huey's dead

I got love for my brother but we can never go nowhere
unless we share with each other We gotta start makin'
changes

learn to see me as a brother instead of 2 distant
strangers

and that's how it's supposed to be

How can the Devil take a brother if he's close to me?

I'd love to go back to when we played as kids

but things changed, and that's the way it is

(Fabulous - who really changed?)

[Fabulous - Chorus]

This game ain't change me, so don't let it change you

If you've been real with me, I'm still real with you

If you got love for me, I still got love for you

If you down for me, then I'm still down for you

If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[Fabolous - Verse 2]

Why would I change? I ain't never slide down a bad
pole
Even though I'm certified over plat's sold
They say I'm different 'cuz I ride in a plat. Rolls
But every time, we gotta ride don't this cat roll?
I never snitch, and go and hide in a rat hole
And I ain't givin' you nothing besides what this gat hold
No pride, I ain't that old
Cut off a few, but kept a few girls I decide like I'm ??
It probably don't seem like a struggle
But I used to dream that this thug'll balance beams just
to smuggle
It's funny same girls that didn't seem like they'd love
you
Is beggin' for your autographs ands screamin' to hug
you
It's crazy, same dudes that seem like they thug you
Is prayin' on your downfall, schemin' to mug you
And people that didn't give a fuck, is dreamin' to bug
you
And goin through' extreme's just to plug you, who
really changed?

[Fabolous - Chorus]

This game ain't change me, so don't let it change you
If you've been real with me, I'm still real with you
If you got love for me, I still got love for you
If you down for me, then I'm still down for you
If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[2Pac talking over Fabolous chorus]

We gotta make a change...
It's time for us as a people to start makin' some
changes.
Let's change the way we eat, let's change the way we
live
and let's change the way we treat each other.
You see the old way wasn't working so it's on us to do
(Fabolous - Why would I Change?)
what we gotta do, to survive.

[2Pac - Verse 3]

And still I see no changes can't a brother get a little
peace
It's war on the streets & the war in the Middle East
Instead of war on poverty they got a war on drugs
so the police can bother me
And I ain't never did a crime I ain't have to do
But now I'm back with the blacks givin' it back to you
Don't let 'em jack you up, back you up,
crack you up and pimp smack you up
You gotta learn to hold ya own
they get jealous when they see ya with ya mobile phone
But tell the cops they can't touch this
I don't trust this when they try to rush I bust this
That's the sound of my tool you say
it ain't cool my mama didn't raise no fool
And as long as I stay black I gotta stay strapped & I
never get to lay back
'Cause I always got to worry 'bout the pay backs
some buck that I roughed up way back comin' back
after all these years
rat-a-tat-tat-tat-tat that's the way it is

[Fabolous - Chorus]

This game ain't change me, so don't let it change you
If you've been real with me, I'm still real with you
If you got love for me, I still got love for you
If you down for me, then I'm still down for you
If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[Fabolous - Verse 4]

Why would I change when I get green like the
Incredible Hulk?
I've chilled with the richest people to the ghettoest folks
Known a few ?? and met a few locs
Made a few comments, and said a few jokes
But it's gettin' me sick, someone prescribe me some
medicine
Before the fame, the vibe was way better then
Some have even become rivals instead of friends
Only two become liable for settlements
I grew up watchin the bed ?? veterans
Now they hate to see a nigga drivin' the better Benz
That's why the clubs be, deprivin' to let us in
They know the family bring knives and barettas in
I'm thankful for being allowed, fans for being the
crowd
How could my head be in the clouds?
It's strange, what the fame'll do

But you know what? The only one who seen
the change from the fame is you

[Fabolous - Chorus]

This game ain't change me, so don't let it change you
If you've been real with me, I'm still real with you
If you got love for me, I still got love for you
If you down for me, then I'm still down for you
If you don't fuck with me, then I don't fuck with you
If you ain't cool with me, then I ain't cool with you
If you won't ride with me, then I won't ride for you
This game ain't change me, don't let it change you

[Fabolous - Outro]

I'm the same nigga man
Same nigga, that ridin' with you
Niggas that's fuckin' with you
I'm still fuckin' with you niggas
The same nigga, these hoe's ain't like
Now they on my dick right? Haha... shit is crazy
Don't let this game change you nigga...
