[Red Cafe - Chorus]

You know I does my thing  
I got the good sh-t going over there  
You know I does my thing  
so we could just put it in the air  
You know I does my thing  
I got the good sh-t going over there  
You know I does my thing  
so we could just put it in the air

[Fabulous - Verse 1]

momma said what you reap is what you sow  
and thats why I try to keep it on the low  
dont blow my own horns sometimes I beep it on the low  
blowing one's until they gotta sweep it from the floor  
matter of fact tell them dancers get ready  
this money bout to look like new year confetti  
and this is just a suggestion  
I does my thing that was never a question  
and they can't stomach fly sh-t that I'm dressed in  
it's just too much for a hater digesting  
wish a n-gga would while Im in my good sh-t  
like some bird droppings I be on some hood sh-t  
yeah you better do you because I damn sure does me

[Chorus]

[Red Cafe - Verse 1]

I like it you love it  
I call her it  
you wife it I thug it  
I'm just nice all my bread is buttered  
G-4 flights I'm all ice and covered  
covered by the big bee's

one and then the two, then you gotta breathe  
breathe baby it's not trivia  
I keep a fox behind me like vivica  
what else you know I does my thing  
I got lipstick on my little ring  
we got the whole hood going sky high

sh-t down get it poppin like a drive by  
so l'mma do me C-A-F-E  
from the family tree

[Chorus]
