Ft. Nicki Minaj

[Chorus:]

Write another song for the money  
(My shawty say)  
Write another song for the money  
(You know you need)  
Money in the bank to keep her  
(You know you need)  
Money in the bank to keep her  
(So my shawty say)  
Write another song for the money  
(Hey, hey, hey, my shawty say)  
Write another song for the money  
(You know you need)  
Money in the bank to keep her  
(She say you know you need)  
Money in the bank to keep her

[Fabulous:]

Uhh, and who the hell said they was cheaper to keep  
'Cause if you ain't getting money when you call you get  
the beep  
She can't pick up the phone, your broke ass should  
leave a message  
And my guess is, if she never call well you get the  
message  
You like "whaaaat, you can't call nobody?  
I've been trying to find you like Waldo shawty"  
She said she bout her paper if it's there she gon' get it  
When the money gone she gon' be the fuck gone with it  
Hey, I mean come on, she love Louis Vuitton  
Yorkie in her speedy bag that she name Milan  
Hair stay did like she live in a salon  
Her and money go hand in hand yeah like a baton  
I swear on a stack of holy Bible's and Qur'an's  
We could be the Dream team baby, Kobe and LeBron  
Only if you gold, I never do the bronze  
'Cause if you could have Beyonce would you take  
Solange?  
Huh?

[Chorus:]

Write another song for the money

(My shawty say)

Write another song for the money

(You know you need)

Money in the bank to keep her

(You know you need)

Money in the bank to keep her

(So my shawty say)

Write another song for the money

(Hey hey hey my shawty say)

Write another song for the money

(You know you need)

Money in the bank to keep her

(You know you need)

Money in the bank to keep her

Uhh

[Nicki Minaj:]

Yo, yo

I'm in a tricky little mood

I trick these little dudes

I tell 'em that I love 'em but I never really do

See I like pretty shoes

And I like pretty minks

And I like site seein'

The pyramids and the sphinx

He cop Italian pieces so I do the fist pump

And I can only push it if the trunk is in the front

If the trunk is in the back, then you gotta take it back

You can hit me on the jack

I chat on the Mac

See I am who I am

Nicki M. motherfucker

If she say she not a fan

She a lyin' motherfucker

Always shoppin' in Paris

So I speak a little French

Oui Oui rag-a-de

Time for you to hit the bench

Indecisive so I always gotta pick two

I guess that's why I got the Yorkie and the Shitzu

I told Fab get that Michael Knight Kit Coupe

Before I put this pussy on ya chipped tooth

[Chorus:]

Write another song for the money

(My shawty say)

Write another song for the money

(You know you need)

Money in the bank to keep her

(You know you need)  
Money in the bank to keep her  
(So my shawty say)  
Write another song for the money  
(Hey, hey, hey, my shawty say)  
Write another song for the money  
(You know you need)  
Money in the bank to keep her  
(You know you need)  
Money in the bank to keep her

[Fabolous:]

Uhh, I hate to see her poutin', she wants some  
Louboutins  
I say "how many pair? ", she say "who's counting? "  
Money ain't everything, with her it's the only thing  
You don't treat her like a Queen, you gon be a lonely  
King!  
Her daddy must have spoiled her  
Ain't no expiration date  
Fuck a dinner and a movie, she want a vacation date  
Fly out to London cruise to Bahama's  
Presidential suites we check in as the Obama's  
Take for instance Nicki, when she shops she's picky  
She fucks up fifty g's fast and then calls it a quickie  
I only deal with ten cents  
My dick game is intense  
Bent that Barbie over and she ain't seen Ken since  
(niceeee)  
These niggas be feeling her  
Affording her's another thing  
She was married once before looking for another ring  
So I call her [? ] that's amongst the other things  
She say she love the flow  
I think she love the scene

[Chorus:]

Write another song for the money  
(My shawty say)  
Write another song for the money  
(You know you need)  
Money in the bank to keep her  
(You know you need)  
Money in the bank to keep her  
(So my shawty say)  
Write another song for the money  
(Hey hey hey my shawty say)  
Write another song for the money  
(You know you need)  
Money in the bank to keep her  
(You know you need)

Money in the bank to keep her  
Uhhh.
