Yes  
Nigga the slump is ova  
We winnin again  
Bring some money out homie  
We spendin again  
Wipe the frown off shortie  
We grinnin again

Did he say again,  
Yes  
We winnin again

Yes  
Nigga the slump is ova  
We winnin again  
Bring some money out homie  
We spendin again  
Wipe the frown off shortie  
We grinnin again

Did he say again,  
Yes  
We winnin again

I'm Ridin Thru The Metropolotin  
n Everybody Hollarin  
Me I'm Jus Acknowledgin  
With This Million Dollar Grin  
Shine Like A Holgen  
Cool As Tha Island Wind  
I Dont Judge Myself But If I Do I Give My Style A 10  
Met A chick move along  
I'm From Tha Cosmopolotin  
Thick In Tha Right Place, Hugger While She Model Thin  
She Dont Do No Swallowin  
But She Got A Wilder Friend  
Who Dont Give A Fuck, I Tell Both Of Them To Follow In

I'm With Tha Fam-Ily-A  
You Might Be Familiar  
With A Few Face's But They Still A 9 Milly Ya

They Be Like Tha Young Guns, So I'm Guess I'm Willy  
Bra  
I Do More Than Willaim Bonnie, I'm A Little Willy-Ya  
Chain A Little Chilly-Ya  
Wrist A Little Silly-Ya  
And I'm Grown So I'm Not Really Tha  
Kid At All  
But I Hope You Git It Yall  
I Can't Say I Did It All  
But Believe That Befor I Leave That, I'm Try 2 Git It All  
wat i dont git At All  
It's What These Cridicts Call  
Something Dont Mean Nothing  
They Dont Live It Like They Writ It Yall  
It aint da car  
It's Tha Way It's Kitted Yall  
Meaning, It's Tha Little Things  
Like Tha Way My Fitted Fall

Tha Way My Posture Lean  
Tha Way My Necklace Hang  
You Should Respect This Game  
If Not Then Exspect This Bang  
But All This Wreckless Slang  
It Dont Effect Us Mane  
They Build You Up To Break You Down  
It's Jus Like Tetris Man  
Thats Why I Sex Miss Thang  
And Let Tha Next Miss Hang  
And Even If I Wake Up Late, I Do Tha Breakfast Thang

Thats An Important Meal  
I Used To Import In Deals  
Jay Brought To Def Jam  
Feel Like It's A Jordan Deal  
I'm Young Mellow  
Game Winning Young Fellow  
Remember Me, I Mix 1 White With 1 Yellow  
Turn Nothing Into Something  
You Could Do It To  
It's Tha Music That You Do To
