no matter how far that we grow  
you do some things that let me know  
this is crazy man love is crazy  
and when i try to walk away  
you say some shit to make me stay  
this is crazy man love is crazy  
i walk into where you was at then my phone calls get a  
who is that  
i told her that i worry that we wont last  
she told me you need to worry when i don't ask  
see that's the crazy love i be talking bout  
Gary Coleman face girl what you talking bout  
Make me wanna kick you and that yorkie out  
Then i see that fat ass when you walking out  
how i'm gonna tell my baby bye-bye  
outfit look crazy on her you my lady gaga  
but you wanna start at first and get the last word  
you wanna lock me down and get the password  
damn i wannna spray don't use juice  
so in the bedroom i got a few screws loose  
the head's coo-coo back-shots psycho

hit it from the back hard hope you got geico
