[Verse 1: Fabulous]

I pull the chrome out with precaution

Before things get blown out of proportion (chill)

You know me I ain't grown out of the flossin'

I'm still chromed out in the Porsche and

Sick stones out in the cross and

Before I known bout an endorsement

I was pushin' stones out up in Boston

Then the folks phoned out to enforcement

Man gettin the case thrown I was exhausted

So now I just lay back

Maybach relax

These niggas cant make what I pay back in tax

Double Header hos they play back to back

And this hip hop they spray back on tracks  
But me

[Chrous: Fabolous]  
Look at me  
Everybody look at me  
I'm a G  
I'm a motherfuckin' G

Look at me  
Everybody look at me  
Can't you see  
I'm a motherfuckin' G

Look at me  
Everybody look at me  
I'm a G  
I'm a motherfuckin' G

Look at me  
Everybody look at me  
Can't you see  
I'm a motherfuckin' G

[Fabolous:]
