I can't really explain it
I'm so into you now
I wanna be more than a friend to you now
When they ask
I mention my baby girl in the interviews now
And I don't bring the problems from
the 90's in the 2 thou
There's no reason to have a friend or two now
Cus the kid's ready to tell how he feel in a few vows
Maybe, I speak in general now
But girl, Ima do whateva jus to keep a grin on u now
(Where I go) They wear bikinis in the winter 2 now
What you think about tan lines on tha skin of u now
Why wouldn't I wanna spend a few thou
On 5th Ave, shoppin sprees in them denister childs
I ain't concern what otha men would do now
As long as when I slide up in u, u growl
And any dude wit u
He betta be a king to u now
And I ain't jealous
It's the principle now
I'm so into u

[Ashanti]

(Chorus)

Verse 2: [Fabolous]

C'mon ma
it's more than the flashin'
I would've traded it all in orderly fashion
My villa in Florida we crashin'
Just off the shore so you can hear when the water be
splashing
The Drop top 3 in the quarter we dashing
Flawless diamonds in the water we flashing
The money we oughta be stashing
I make sure ever quarter be cashed in

I can't really explain it
My friends be thinking I'm slipping
These girls be thinking I'm tripping
What kinda weed u be smoking
What tyga drinks u be sipping
Sweet thing just to think of you dipping
Would have me with the blue so hard
You would think I was crimping
Now you relaxing in the Benz
Credit cards are no limits
So u don't worry about maxing when u spends
But since u been asking about the friends
How'd u like it if both our names had Jackson on the
ends

(Chorus)

I really like what you've done to me (I really like)
I can't really explain it (I cant explain)
I'm so into you (so into you)

I don't wanna trip, but the truth is
Girl the way you cook a steak
Remind me of them trips to Roofchris
U love my smile, no matter how chipped my tooth is
With you it aint because my whips is roofless
So sit on chrome, dip the deuces
And you aint flattered by Canary's and VS dip tay
seuces
All the ballers look dumb when they press you
Five and sixes, you don't let them kinda #s impress
you
Even though I was so unsuccessful
Being a player was becoming too stressful

But ever since, this superwoman has come to my
rescue
My winter's been wonderful, my summer's been
special
That's why the same bar while the villa be painted
Just so we can really get acquainted
The love is real, there's no way you can feel like it's
tainted
But I can't really explain it, unh yeah

(Chorus)

I really like what you've done to me (I really like)
I can't really explain it (I cant explain)
I'm so into you (so into you)
